von Hindenberg After Victory of Augustowo.

This is the hero of Germany, the newest photograph of the man who is as much talked of there as the Kaiser himself. It was taken shortly after the victory of Augustowo, when the Russian Tenth Army was annihilated. Although the general is more than seventy years of age, he does not look more than thirty-five. The Germans give him credit for

having kept the Russians out, and many of them have demanded he be sent to command the western army which is trying to hold Britons and French in check. Although there was a rumor from Berlin he would be transferred, nothing has been done about it and now military men assume he will remain on the eastern frontier to hold the Russians back from their promised march to Berlin.

Freckle-Face

Sun and Wind Bring Out Ugly Spots.
How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case. Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

COLONEL RESTS AFTER REDIRECT EXAMINATION

(CONTINUED FROM PAGE ONE)

President then. Roosevelt also was questioned about the merger of the Tennessee Coal and Iron company with the United States Steel corporation. He declared that he allowed the merger because it was to the prime interest of every citizen that some measure should be taken to restore confidence and stop the panic in 1907.

He told how he ended the panic of 1907 and identified a letter in which Governor Whitman, then district attorney of New York, wrote that he thought the time was ripe to rid the State of the kind of party control which was mainly responsible for corrupt conditions. The Whitman letter declared the men and policies responsible for the corrupt conditions were not confined to one party. Roosevelt said he believed Whitman referred to Barnes.

William Loeb, once the colonel's private secretary, testified Barnes told him he had an agreement with Charles F. Murphy of Tammany Hall not to interfere in the selection of a United States senator. That was in 1911, prior to the time O'Gorman was chosen. While Loeb was testifying Roosevelt's counsel made a futile attempt to get before the jury testimony regarding vice and gambling in Albany.

Concerning the panic colonel told how Henry Frick and Elbert H. Gary, representing the United States Steel Corporation, visited him at the White House, telling him if the Morgan interests should take over the Tennessee Coal and Iron Co. before the exchange opened, the stock, much of which was held as collateral, would immediately become enhanced value, and the country's business which was trembling on a hair, wouldn't be suspended. The colonel told how he took action, then notified the newspapers, and he said with pride "the panic was stopped."

Real General Staff of French Army.

Gen. Pau Gen. Joffre Gen. Castelnau

This is the most recent photograph of Generals Joffre and Castelnau, and a recent one of General Pau—the three men in supreme command of the French armies. It is current rumor in Europe that when General Joffre accepted command he did it with the understanding that he was not to be interfered with at all. He took on himself the power of appointing officers throughout the army, and of removing those who failed to meet his standards. His first act was to name General Castelnau and Pau as assistants. As a result many Generals

BOND ISSUE REDUCED TO SUM OF \$80,000

SOME QUESTION AS TO WHETHER \$83,000 COULD BE ISSUED

SINKING FUND

Is Created by Council With Provision for Specific Amount to be Raised Annually.

There being some question as to whether the city can issue \$83,000 of bonds and keep the bonded debt within the constitutional limitation of 8 per cent of the total taxable value of property in the city, city council, in special session yesterday afternoon, suspended the rules and adopted an ordinance reducing the recently voted bond issue from \$83,000 to \$80,000.

The change in the amount of the issue was agreed to by the bond purchasers, and the city will receive from them the same price and premium as was paid for the original bonds, that is, of course, in proportion. In other words, the purchasers will pay the city for its \$80,000 of bonds the sum of \$82,024.00.

The ordinance also provided for the creating of specific sinking fund, that is, the levying of a tax each year sufficiently large to pay a certain amount of interest and principal. The section provides for the payment annually of \$4,062 interest and \$1,639.40 interest.

Makes 61 Feel Like 16.
"I suffered with kidney ailment for two years," writes Mrs. M. A. Bridges, Robinson, Miss., "and commenced taking Foley Kidney Pills about ten months ago. I am now able to do all my work without fatigue. I am now 61 years of age and feel like a 16-year-old girl." Foley Kidney Pills strengthen and invigorate weak, tired and deranged kidneys; relieve backache, weak back, rheumatism and bladder trouble. They are tonic in action. Evans Pharmacy.

Taking Care of the Children.
No parents would consciously be careless of the children. Joe A. Rozmarin, Clarkson, Neb., uses Foley's Honey and Tar for his two children for croup, coughs and colds. He says, "We are never without Foley's Honey and Tar in the house." A distressing cough, sleepless nights, and raw, inflamed throat lead to a run-down condition in which the child is not able to resist contagious or infectious diseases. Foley's Honey and Tar is truly healing and prompt in action. Evans Pharmacy.

Splendid for Rheumatism.
"I think Chamberlain's Liniment is just splendid for rheumatism," writes Mrs. Dunbar, Eldridge, N. Y. "It has been used by myself and other members of my family time and time again during the past six years and has always given the best of satisfaction." The quick relief from pain which Chamberlain's Liniment affords is alone worth many times the cost. Obtainable everywhere.

PUT SULPHUR ON AN ITCHING SKIN AND END ECZEMA

Says this old-time Eczema remedy is applied like cold cream.

Any irritation or breaking out on the face, arms, legs or body when accompanied by itching, or when the skin is dry and feverish, can be readily overcome by applying a little cold sulphur, says a noted dermatologist.
He states that cold sulphur instantly allays the angry itching and irritation and soothes and heals the Eczema right up leaving the skin clear and smooth. Cold sulphur has occupied a secure position for many years in the treatment of cutaneous disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin affection. While cold sulphur is establishing a permanent cure, it never fails to subdue the itching irritation and drive the Eczema away, and it is often years later before any eruption again appears on the skin.
Those troubled should apply it at any drug store, or order it of the manufacturer, which is applied to the affected skin in the same manner as an ordinary cream.
